SVĚTELNÉ
ZNEČIŠTĚNÍ

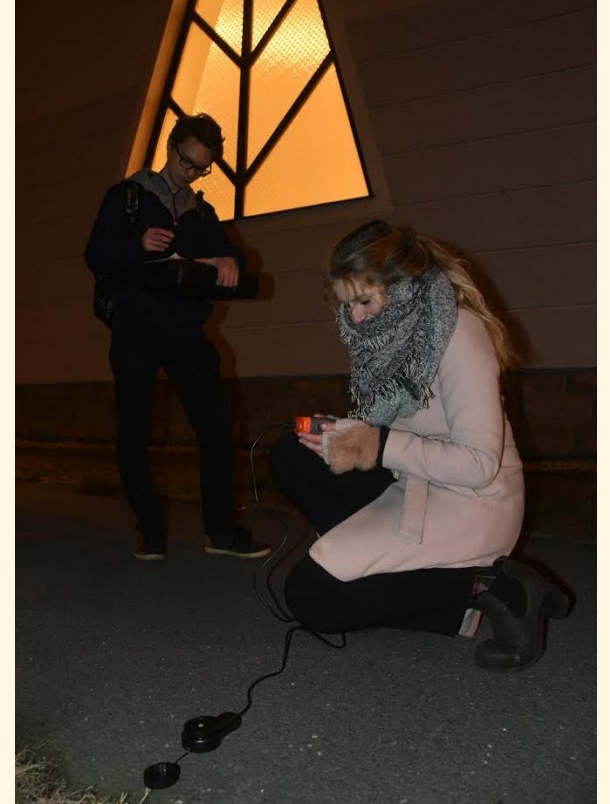

WHAT DO WE DO?

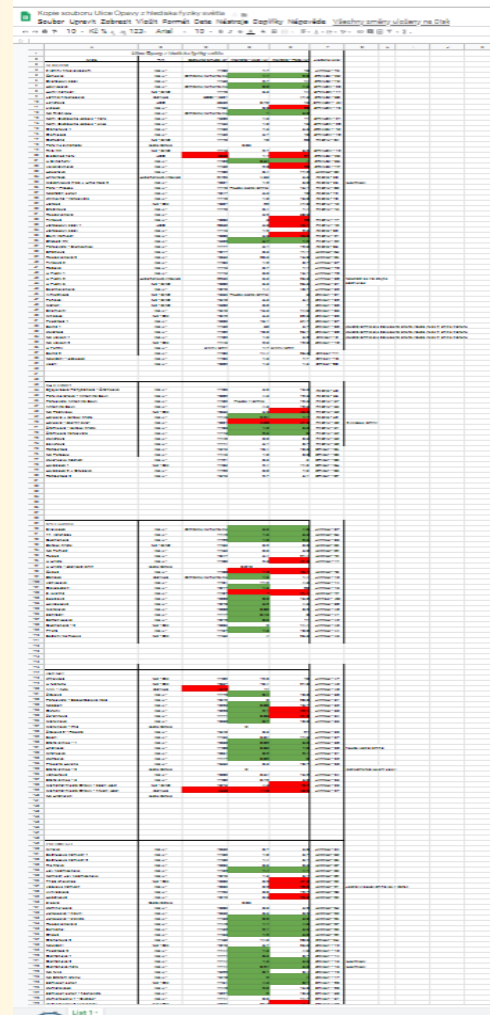

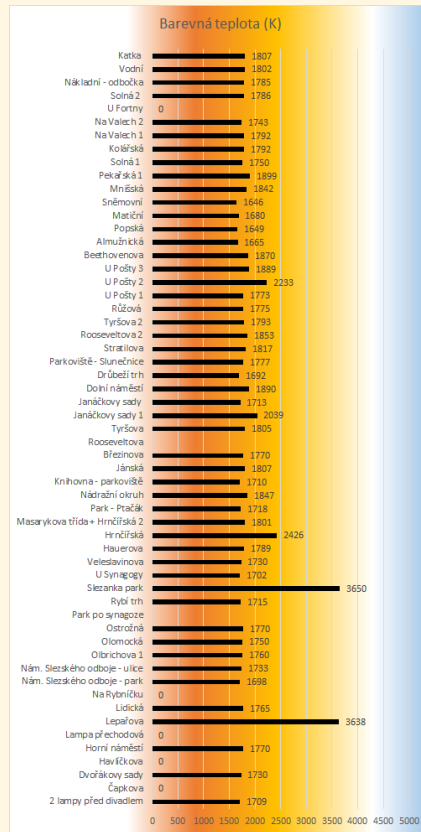

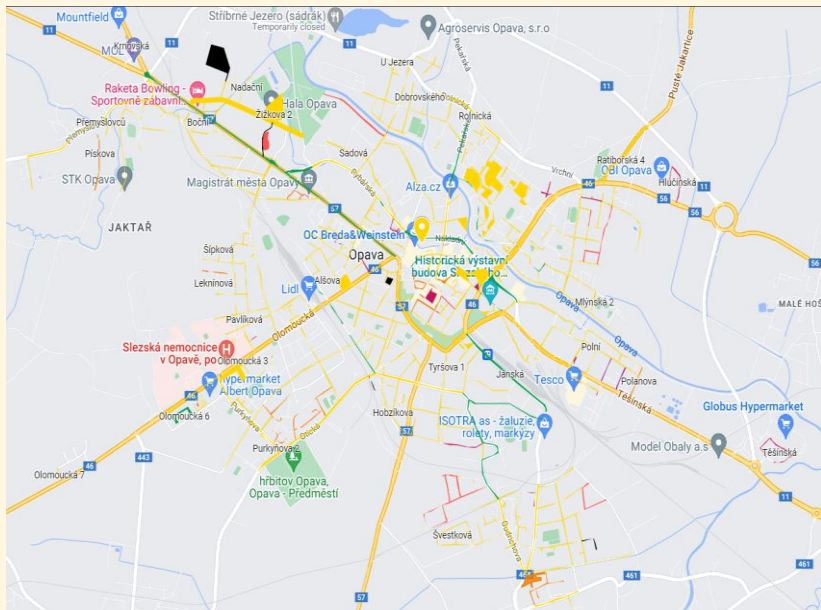

➤ consult with experts

➤ measure light pollution in Opava

➤ create tables, graphs, and maps

➤ educate secondary schools

➤ present to the public

➤ meet with politicians

→ city officials

→ regional council

→ national parliament

→ European union

....allow me to thank you and Mr. Borunský on behalf of the Commissioner for the sent presentation and recommendations made by the students of the Silesian Grammar School in Opava, the Commissioner passed them on to colleagues who are in charge of consumer protection.

Věra Jourová

European Commissioner

WHAT TO DO NEXT?

→ cooperate with school from other European countries
