

This is a detailed aerial map of a landscape, likely a forested area, overlaid with technical information. A prominent red dashed line outlines a specific region. Within this region, there are two main areas filled with yellow contour lines, indicating elevation. A purple shaded area is located between these two yellow regions. Various numerical labels are scattered across the map, including 150, 103, 101, 10290, 500, and 501. Letters A and B are also present. The map is overlaid on a grid of latitude and longitude lines.
